

## Open Morning at Amberfield School: Saturday 19<sup>th</sup> June 2010

Independent Schools Catering Consultancy were delighted to help out at Amberfield's Open Morning on Saturday 19<sup>th</sup> June 2010. The theme of the day was 'Food Glorious Food' and parents were encouraged to visit the Dining Room to meet Chris Stanley from ISCC who has been supporting the catering team for the Summer term. Amberfield School is one of our newest clients and we are very pleased with the progress that has been made by Debbie Adams, Chef Manager and her team.

The girls were mostly in position in their classrooms by 9am ready to show their parents and prospective parents what they had been doing for the term. The theme of 'Food Glorious Food' was in evidence throughout the school, the Biology class demonstrating the digestive system, the Art class exhibiting works around the subject of food and the Drama class performing pieces that centred on the same theme.

In the Dining Room, meanwhile Debbie and her team were busy preparing the refreshments for the day. Tea and homemade fruity flapjack was served on the lawn throughout the event, even though the weather was a bit blustery! In the morning the pupils and parents enjoyed a Bannoffee smoothie made with bananas, yogurt, milk and toffee, a berry burst smoothie made with summer fruits, yoghurt and apple juice, homemade lemon shortbread and homemade chocolate chip cookies.

Straight after this break, the team got ready to present the parents with 'tasters' of the new menus that have been introduced at the school. The counters were laid up with Tandoori chicken served with a minty dip, rarebit baguettes with cream cheese and mustard, chick pea humus with various crudité's, edamame bean salad with sweet chilli and to follow, Eton mess made with raspberries, cream, meringue and mini marshmallows and also shortbread bites.

The 'tasters' were very much enjoyed by the parents who were all keen to come in and sample the full menu with their daughters!

Linda Ingram, the Headmistress was very pleased with the event and said that the response was very encouraging.
